BEST FOR	JobPts is an easy to use and flexible employee recognition software that enables companies to achieve their business goals by driving a culture of appreciation within their organizations.

JobPts

...according to our customers and industry analysts

"It is very easy and simple to implement and use. For a 100k employee company, it is possible to run with only 0.5 FTE which is a clear plus and speaks for the easiness of the tool."

Maike Kunz, Total Rewards Senior Consultant, SAP

"JobPts, as a main HR tool for recognition, is one of the best on the market. The integration with Success Factors is seamless and Semos Cloud team did a great job from start to end. If you're a company oriented to offer the best 'recognition' experience, JobPts by Semos is your best bet"

**Petre Florian Gridan, HRIS System Administrator, OMV**

"Semos Cloud understood early on in the digital transformation movement the importance of adding direct support for the employee experience to the HR Professional's toolkit."

Joshua Greenbaum, Principal at Enterprise Applications Consulting

"Semos Cloud was exceptional to work with.We now have a highly branded tool that seamlessly fits within intranet and features with a ton of awesome reward options for our team."

Marc Farrugia, Vice President Human Resources at Sun Communities

About JobPts

JobPts is an award-winning Employee Recognition and Rewards software used by global companies across the world.

JobPts supports comprehensive global reward and recognition requirements including social collaboration, advanced extensibility, and end-to-end services.

We take pride in the employee experience we deliver that always leaves an everlasting "Wow" factor with our users.

We work with our customers in both pre and post implementation phases of the project and orchestrate the end-to-end implementation of the R&R programs that lead to a successful outcome and meet the business and end-user goals.
